Studenti proizvode zaštitne maske - potpuno besplatno

AUTOR: Semir Mustafić 22.03.2020.

Podijeli: 0

Zenički studenti odlučili su pomoći doktorima i medicinskom osoblju Kantonalne bolnice u ovom gradu počevši proizvoditi zaštitne maske - potpuno besplatno. Dobili su pomoć od javnog i privatnog sektora, a uskoro bi njihov primjer mogli pratiti studenti širom Federacije.
